BoatsandOutboards co-sponsors South Wales Boat Show

[News](#) » [Industry](#) Article Date: 2007-04-23

BoatsandOutboards is to co-sponsor prestigious industry expo the South Wales Boat Show taking place between June 15th and June 17th at Margam Park, near Swansea.

The market-leading boat sales website will join over 100 other exhibitors, sealing the event's status as the largest marine event of its kind in Wales.

Visitors to BoatsandOutboards' stall will be able to meet the website's staff and peruse the latest bumper edition of the company's magazine.

Stephen Sumner, channel marketing manager for BoatsandOutboards, said: "BoatsandOutboards.co.uk is delighted to be part of such an up and coming boat show.

"The South Wales Boat Show is the main show for this part of the UK, so it is with great pleasure that we now have an excellent working partnership with the organisers.

"The BoatsandOutboards team will be exhibiting at the show to promote our massive 256 page monthly glossy magazine and also we will be promoting our website www.BoatsandOutboards.co.uk, which was recently named as the busiest marine website in the UK for the last quarter, by Hitwise."

Other exhibitors at this year's event included Picton Boats, Quandra Boats and the Inland Waterways Association.
