Avon appoints Welsh distributor

By IBI Magazine

UK RIB manufacturer Avon Inflatables has appointed Network Yacht Brokers Swansea as its new distributor for South Wales. To mark the appointment, the company will showcase a range of Avon RIBs and inflatables at this year's South Wales Boat Show, which runs from June 13-15 at Margam Park near Port Talbot, West Glamorgan.

Headed by Mark and Jamie Tibbott, Network Yacht Brokers Swansea is located in Swansea Marina and offers a selection of boats and marine products including new and brokerage boats, RIBs, inflatables, liferafts and marine clothing, as well as a warranty and aftersales service.

Avon Inflatables, which is based in the town of Dafen in South Wales, has produced over 200,000 inflatables and rigid inflatable boats (RIB) since 1959. Its products are available globally from an international network of dealers, distributors and agents.
