South Wales Boat Show to go afloat!

Associated British Ports [ABP] and the Welsh Assembly have given the go ahead for the 5th South Wales Boat Show to be staged in Swansea Docks.

This year the show will be staged on four acres adjacent to Swansea's Prince of Wales Dock. ABP who are also sponsoring the event have also agreed that the show can use 15-20 berths making this the first South Wales Boat Show to be staged on water.

Even before the news was released to the media ten of the berths had been provisionally booked. Floating exhibits will include a Jeanneau 35 and boats from Cardiff Bay Boat Sales.

To date fifty five exhibitors have confirmed their attendance including new first time exhibitors. The South Wales Boat Show is scheduled for June 18th – June 20th.
